

# STANDING COMMITTEES

Part of our discussion at our April Board meeting was how do we encourage member involvement and really address our concerns as individuals and as a community. Please take a minute to read over the Committees listed below. It would be a tremendous benefit to our Coalition to have members on these committee's, sharing ideas, concerns and/or solutions. What concerns you? What idea's can you share?

As part of the District 10 Leadership Coalition Bylaws, Article VI, Standing Committees are listed as follows:

- 1 Nominating & Member Development Committee:
- 2 Public Safety Committee
- 3 Urban Development & Infrastructure Committee
- 4 Budget & Taxation Committee
- 5 District 10 Issues Committee
- 6 Public Communications Committee
